

Vecoplan OEM Parts Cutters

Vecoplan "Torsion Point" cutters are 4 sided and indexable to allow 4 actual cutting surfaces. A simple, quick rotation of the cutter provides a fresh cutting point with minimal effort.

Crowned Cutter
Model #3530000057

"Standard" Concave Cutter
Model #3530000080

Flat Cutter
Model #3530000080-F

Features

Crowned Cutters are ideal for highly corrosive applications and are extremely wear and impact resistant, perfectly suited for:

- Film
- Abrasive Materials

"Standard" Concave Cutter are the perfect choice for wood and plastic applications. They are very forgiving of tramp metal and are a good choice for:

- Wood
- Plastic
- Other Applications

Flat Cutter are ideal for fiber and self feeding material. Best for use in non-aggressive applications such as:

- Fiber
- Plastic
- Particle Board
