

KKF Drag Chain Conveyors

Vecoplan[®]

KKF Drag Chain Conveyors

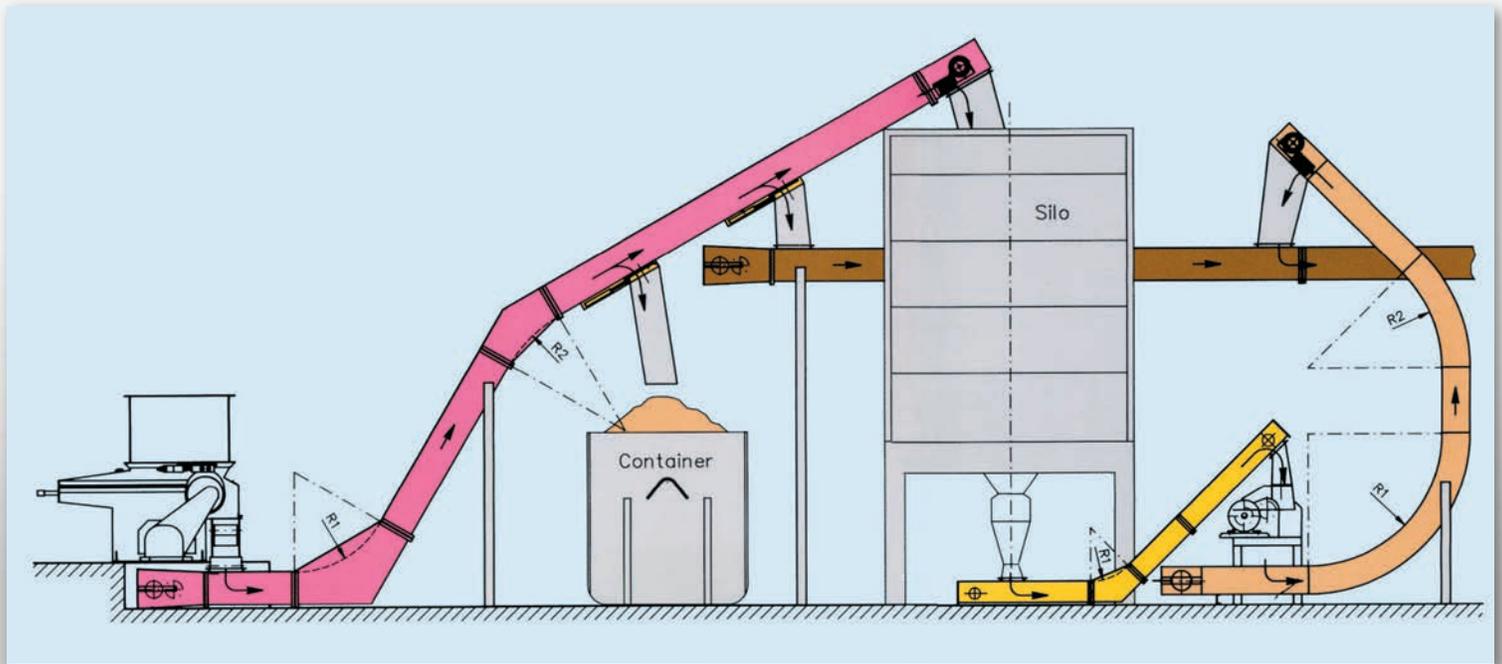

Drag-Chain Conveyors offer the ideal solution to difficult material conveying. The modular design allows for limitless adjustments for horizontal, vertical and diagonal installation.

Motorized slides, outlets and funnels provide variable and accurate metering to different storage locations as well as leveling capabilities.

Offering the most flexibility in a durable, rugged package, Vecoplan Drag-Chain Conveyors offer made-to-order solutions for nearly every conveying problem.
