

# VVZ 300

TECHNOLOGY FOR A SUSTAINABLE TOMORROW

Shredding

## APPLICATION

The Vecoplan VVZ 300 Rotary Shredder is designed especially for bulk size reduction of old timber and wood waste.

## FEATURES

- Airspring Counterknife simplifies removal of tramp material and simplifies maintenance
- Center anvil with replaceable hard-faced counterknife and removeable screen grates
- Changeable resizing screens add economical production of consistent sized particles in one pass
