

EXCLUSIVE GRINDER EQUITY GUARANTEE

At Vecoplan, LLC, we expect your business to grow. All businesses plan for that! That's why when you purchase a Vecoplan grinder your investment is protected to grow with you. When your business changes and grows, and when you need larger equipment, your investment in your Vecoplan can be used again as "Equity Value" in purchasing an upgrade. It's simple and will realize you far greater value than dealing with the used market and hoping for the best offer or compromising for too small of a machine. At the time you trade-in or upgrade to a new larger dimensional grinder, the appropriate "Equity Value" will be deducted from the purchase of your new equipment. The following table represents our guidelines for determining final values and allowance.

# of Months Since Delivery:	0-4	5-12	13-24	25-36	37+
Maximum Equity Value %:	100%	80%	50%	25%	15%

Please understand that the condition of your existing machine may effect the final equity value: so, just call to get all the details and a firm appraisal of your equity value.

Note: This guarantee is null and void where machine is placed in inappropriate applications or a return is desired due to abuse, neglect or other conditions beyond the control of Vecoplan.
